COAL MINERS EXCEED 5-MONTH PLAN

Stalino -- Coal miners of Gorlovka Mine No 3, have attained the mining level set for 1950. Mining has increased nearly 35 percent over 1940.

On 21 May the "Moskvougol" Combine fulfilled the 5-month plan for coal mining and transporting and for preparatory work. The average daily coal output increased 12.5 percent over the same period of last year, and labor productivity increased 10.1 percent. During the past 3 months, labor productivity exceeded the prewar standard.

Miners of the "Tulaugol" Combine have completed the 5-month plan ahead of schedule.

Tula miners have completed the 5-month plan for preparatory work. The average amount of coal mined per day rose 10.8 percent over the same period of 1948 and labor productivity increased 11 percent. The first to complete the 5-month plan were miners of "Krasnogvardeyskugol'," "Shkuratovugol'," and "Tovarkovugol'" trusts.

CHEL'YABINSK MINERS BEAT PLAN -- Komsomol'skaya Pravda, No 121, 25 May 49

Following the example of workers of "Kopeyskugol'" Trust, miners of "Chelyabugol'" Trust have completed the 5-month plan ahead of schedule. Mines No 22, 4-5, 16-23 are among those which have delivered several thousand tons of fuel on the June quota.

Izvestiya, No 121, 25 May 49

Coal production is increasing in the Chelyabinsk basin. Miners of the outstanding mine, No 204, have determined to complete the 9-month plan by 28 August, in honor of Miner's Day.

KUZBASS COAL MINES REPORT SUCCESS -- Krasnaya Zvezda, No 121, 25 May 49

Miners of "Belovugol'" Trust were the first in the Kuzbass to fulfill the 5-month plan for coal mining. The preparatory work program has also been entirely completed. The outstanding mines, "Babanakovskaya," and imeni 1 Maya have already delivered hundreds of tons of fuel on the June quota.

Izvestiya, No 120, 24 May 49

Miners of the "Anzherougol'" Trust in the Kuzbass fulfilled the 4-month plan ahead of schedule and are delivering a large amount of additional fuel daily. Since the beginning of 1949 tens of thousands of tons of coal above the plan have been mined.
